

Delaware FFA members take home state awards

Students from across the state took home honors during the 100th Delaware State Fair in Harrington last week.

The list of the members' accomplishments is available [here](#).

Nearly 300 students, advisors, and judges representing business and industry throughout the state participated in state career and leadership development events during the Delaware State Fair. Members demonstrated professionalism, leadership and skill attainment in 23 events.

The Delaware FFA Association is a career and technical student organization that is dedicated to making a positive difference in the lives of students by developing their potential for premier leadership, personal growth and career success through agricultural education.
